“ *I am truly sorry to hear of your losses, know that our prayers are with you. Ruth was a hard worker in her day and I think she could make anything grow and she had beautiful angel trumpets. I remember all the different cacti on her back porch ,to say she had a green thumb just wouldn't do her justice. Ruth was a straight forward person . I know you will miss her , may God bless and keep you all.Becky Coggins*

“ I have much sadness in learning of her passing. She was a beautiful Lady and was our Greeter as we entered the Nursing Home. Always with a smile and dressed so nicely. I enjoyed our hair appointments together for several years and my book will have a serious void.Heavens' gain but our loss 🌹

“ Heaven has gained a sweetheart! You will be missed Mrs. Ruth. I will never forget how you always ask me how Mom and Dad were doing at River Falls. It was always my pleasure to spend a few minutes with you on my way to visit my parents. You raised the sweetest family and the love between all of you was evident. To all your girls I love you and will be praying for each of you. Jan Collins Holloway
