“ Just a few months ago I ran into her at Walmart and asked her if she remembered me from my childhood and she did. I often thought of her when I would hear the song, “ I want to stroll over heaven with you”. I asked her if she still sang that and played the accordion. She was so precious to talk to and testified right there in the middle of Walmart about God’s goodness in her life. I know she is strolling Hand and Hand with Jesus today. What a beautiful legacy she has left for her family and generations to come.

“ *Ruth's smile and her singing always sent a positive message about our Lord and Savior Jesus Christ. What a wonderful life story she has lived. My Grandmother Mary Lucille Bayne Hall loved her so much. I can still see them setting in the living room talking and laughing. May you rest in peace my dear friend!* ”

Brothers, we are always thankful to you and thank God for you. It's fine; For your faith is growing greatly. If you are one of each of us, love extends.  
4 Therefore we are glorified in you in the churches of God, seeing in all your persecutions, and in the tribulations that you endure, your patience and faith.  
5 For it is a clear sign of the judgment of God for you to be counted worthy of the kingdom of God, for which you are suffering.
