“ Only one way to describe this Lady-a dedicated woman of God- always putting others before herself-love and kindness freely given to everyone she knew. Very fortunate to have know her and be loved and be a part of her family--God Bless you Barbara-

“ As mary would walk into the room she lit up with smiles. She always say or tell others please dont tell her im here i dont want nothong to eat. But as always she always got something to eat as i saw her walk into the building. She was a true inspiration among others. She was the light you always see and never admited to her pain. She had a strong faith in God. Ill miss her to no end. Fly high and spread your wings. Your glory will shine thru others. Meets ya on the other side.. Love always and deep sympathy to family crystal Phillips,CNA
