“ Barry, Amy and your families we send our deepest sympathy at this time of sorrow. As neighbors we talked at the mailbox and many times at Walmart. We considered both of them our friends, and we enjoyed Krispy Kreme doughnuts last year at Christmas that Sandra brought over. They were special loving people. We sure are missing them. Sandra and I sat in the den and chatted about many things, something that was bothering her or something funny and happy. We will keep the memories as long as we live. Ed and Dot Spence
