“ I worked with Sandy for many years and he was a fine man and Person. He love his family and was a friend to all he met. I remember him when I was a boy he was older than me but I looked up to him because he set a standard for how to conduct yourself. His service is already started and I just found out. I will miss him.

Sorry for your loss,

“ So sorry to hear of Sandy's passing. He was a great person and my husband thought the world of him . I think he worked for Curtis there at Gayley once. Curtis was with Milliken for 45 yrs. I know he spoke of Sandy quiet often.Many prayers for all the families. I have known Sandy practically all of his life and many of his relatives.
