“ *Artis and all other family members as well. Hopefully you will remember that I used to drive a van for the senior action organization and would pick up and drop off both Sarah & Artis on occasion then saying with you both at the Slater dining site along with Ms. Jessi Phillips and many others as well? Without getting too emotional because I loved her dearly, I will close now by saying what we all know for sure! She is in a much better place now in Heaven probably with members of her past family and friends and be there for ever and ever as well! Love from the bottom of my heart!
