“ Sarah, A soul that was a beacon of kindness and love for family. I am sure you and Ashley are giggling about something right now. To all that were touched by Sarah and are grieving now, don't despair, with each passing day do not think about another moment without her, rejoice however in that with each passing moment you are that much closer to being with her again forever. We grieve now with our loss yet are at peace in knowing that Sarah is now fit as a fiddle and kicking up her heels in Heaven. Give my Ashley a big hug Sarah..... Till we all meet again. Larry
