“ Deann always made me laugh. Every time I saw her she would have something to say to make me laugh or put a smile on my face! Her life was cut short...too short and she will be missed by all that knew her. My memories go back to when she was a little girl. Such sweet memories.

*My love to the family as I pray for you all during this difficult time.
You all know I'm here if you need me for anything at all.*

My Baby Sister, My Friend. I called you today but you didn't answer the phone. I played my turn in words with friends and I'm waiting for you to play your turn. I've gotten on the computer to see what crazy remark you made today on my page but there has been nothing. I still dont understand why. We still had many more fights to make, graduations to attend, football games, beach trips, holidays and growing old. You promised we would race our wheel chairs up and down the halls in the Assisted Living. I miss you and I just want you to come home. I will love you forever, my baby sister you will always be.
