“ I've loved the Mcmakins since I was a little girl. I grew up a cpl houses down and attended church with them at Slater. Also saw Ms Sarah daily at Slater Elem school where she worked in the cafeteria. So many good memories and it truly hurts. Love to the family ❤️

“ My condolences to Mac and the rest of Sarah’s family. Before I became the sole caregiver for my 96 year old Mama who shares the same birthday with Sarah, July 26 two years apart and before Sarah’s health began to decline, we went out to eat together a lot sometimes during the week and most Sundays after church. Although I didn’t get to visit her much due to Mama being totally bed fast and unable to do a thing for herself, I will miss her and her church family will miss her. Since our oldest member passed away in July, Sarah was our oldest member and an active member until her health issues prevented it.

“ I send my condolences to Mac and the rest of Sarah’s family. I got acquainted with Sarah when I joined Slater Baptist Church in 1983. We served in our WMU together and in later years became closer as we went out to eat together, sometime during the week and most Sundays after church. We didn’t do this much and soon not at all as I became the sole care giver for my aged Mother in 2019 who shared the same birthday as Sarah 2 years apart, and Sarah began having health issues. I will miss her and she will be missed by her church family. When we lost the oldest member of our church in July of this year Sarah became our oldest member.
