“ *Ray and Family,
I was so saddened to hear of Marcelle’s
passing. You must miss her terribly and grief
can be unbearable. You have my deepest
sympathy and heartfelt condolences. Prayers
for all of you to ask God to help you keep on going and keep on
living.*

*Whenever I would see Marcelle anywhere she would always speak
to me and we would end up talking and catching up a little about
family matters, health updates, grandkids, etc. We would always
have a pleasant conversation, even though they were few and far
between. She was a friendly and caring person, loved her family
deeply and would do anything for them. I’ll remember her by all
these things I just mentioned.*

Prayers for all.

“ I am truly sorry to hear of Marcelles passing, I first met her years ago when the girls were little and she started driving a school bus. She always seemed so full of joy, happy to say the least. I'm going to say she took the greatest mom award just by seeing the smile her daughter had on her face when talking about her in a recent talk I had with her at the store. I know that feeling to have a good mom, so for those who have been blessed with the precious gift of children you need to be the kind of mom Marcelle was and hold yourself to the highest standard in the world there are no do overs. You are all in our prayers now and the days to come, lean on each other and God will carry you through. Love you all , Becky Coggins and Ronnie
