“ Oh Sweet, sweet Seai. What a genuine friend and sorority sister you were. You radiated Joy and light. You never failed to make me smile and laugh. What a spit-fire and passionate person you were. Your undeniable drive and passion for education and working with children never failed to inspire me, and continues to inspire me daily throughout my student teaching and as I prepare to graduate. The long heart - to - hearts that we shared and our Sunday church outings will always stay with me. Your love for the Lord was abundant and you will always be in my heart. Rest easy Sweet Girl.

“ I went to school with Seai at GMC. I lost my mother my senior year there, and Seai always encouraged me and the day I came back she gave me a huge hug. She was very sweet, and the world will have that much of a void in it that Seai filled. May you Rest In Peace, and God bless the family during these times!

“ This sweet lady was a bright light in the workplace for me. She never failed to show her clients compassion and love. We bonded over our own classroom stories and she became someone I knew would always ask how I was doing and offer up a smile. While she no longer worked for EAP, I cannot get over the light this world has lost. Even after she left, she continued to remind me that God has plans for me even if I don't see them.
