“ *Mickey and Susan, I'm not sure that I have the words to tell you how sorry I am about Sharon. The almost 10 years we lived up the street from you she was the most joyous person that I knew, always stopping in just to check on us and say hi, if she hadn't seen Weston out skateboarding for awhile she wanted to make sure he was doing okay. She will be missed beyond words and me, Rich, Sydney and Weston send our love and prayers to you.*

“ Sharon was a beautiful Lady with a beautiful Heart. She is the reason I have been doing hair for 27 years. I used to go to her shop and get my hair done. She always made it look glamours and she had fun doing it. I now own my shop and I do have fun. She told my to go for it and I did. I thank this wonderful lady for that. Now as I do what I enjoy doing I will think of her and know she was the reason. God Bless Her. Love U Sharon. Tell your Dad hello.

“ Susan, Mickey, Mrs. Cisson, and family, there are no words to even begin to express my most sincere condolences. Sharon and I became close friends when she moved her salon to S Poplar Street Extension and I was Joyce McCarrell's secretary in her law office next door. Joyce and I were in and out of her shop constantly because Sharon had the drink machine! Sharon and I were the kind of friends that didnt have to talk every week. We just picked up where we left off uually when we were at Walmart! I am going to miss her.

“ I'm so sorry Mickey an Susan I will forever love an miss Aunt Sharon she was as beautiful on the inside as on the outside. Aunt Sharon an I had just become FB friends right after I had the new baby I remember telling her that she had a new little one named after her since I named her after my sis an my sis was named after her she was so happy an always commented on every pic of the baby. I also never will forget waiting at MAW MAWS house for aunt Sharon to bring her chocolate pie. I wished I could be w/ you all in the next few days but my life as an Army wife has ended me up in IN. But know that you both are in my heart an prayers an I love you both dearly.
