“ *Shane has been like a brother to me from elementary school. He has always had a passion to see others come to know salvation in Jesus Christ. He will be missed greatly by his family and friends, but it is glorious to realize that one glorious day there will be a reunion with him in heaven. He is now awaiting that day of resurrection free from pain or complications. God bless and comfort his loving family as only the Lord can.*

“ *Shane was a wonderful man from the few times I had the pleasure of meeting him. He always welcomed me and asked how I was doing every time. My thoughts and prayers are with his family and friends, especially his wonderful daughter Kayla, whom I have gotten to know and become friends with over the last 2 years. I am so sorry for your loss my dear friend!!!*

“ There are too many sweet childhood memories to share--such good times in our Powell/Turner "Lil Raskals Club" (the way we spelled it to make it unique!) that met in an old abandoned mill on our farm; his visit with us on the Brac as a teen where he immediately became a heartthrob; his protecting me from undesired "would-be" beaus during our freshman year of college (no young man wanted to go against that gentle yet stern giant!); the good times and fellowship he and my husband shared when Shayne accompanied Roy on a mission trip to Mexico; and the reconnecting and the good conversations we had across the distance via Facebook. We love you, Shayne and family, and look forward to our glorious future when we all will be reunited for eternity with our Lord.

“ After a job loss in May of 2013, I traveled to Traveler's Rest SC to spend some time with this Godly man. Shayne came by the hotel I was staying at and took me out for a steak dinner. Shayne knew what was needed in my life and he shared Jesus with me. I kept searching for the Lord after my visit with Shayne and as we're promised I received my salvation on Oct. 27th. He was the first person I called. God Bless Shayne and his lovely family.

“ He was the sweetest man and the best cheerleader at the basketball games. He was kind enough to let me hang out with his family and I will be forever grateful for this kindness! :) Praying for all of you as you go through this difficult time.

“ How saddened to hear of this great Godly man. He was a brave man who did what it took to share Jesus. How privileged to be able to serve in Princeton .WV with Shayne and hear him tell the story of Joseph to some little children. We will always remember him running relay race during game time and seeing that look of compassion as he shared the Gospel. He made a difference in our lives and was honored to serve with him and be our friend. So many friends that he shared Jesus will surely meet him in Glory! Our hearts go out to his family and you are all in our prayers!

“ I have so many memories of Bro Shane and so blessed to have them. He was the best youth leader ever. Friday nights at the big shed beside his house playing volleyball and bonfires with singing and giving testimony's. Hay rides in his big truck up the mountains was always a lot of fun. He even taught me how to skate and was so patient with that skinny blonde hair girl that couldn't stand on those skates even if she tried. He was an amazing man and he will be missed. We love you Bro Shane

“ While Shayne is gone from our sight, he will forever be in my heart, my thoughts and my prayers. What a great pastor, mentor, and friend he was to me! The human side of me grieves his loss while the Christian side of me rejoices knowing he is with the Lord! Cathy & family, may all the sweet memories of Shayne bring you solace during this tough time, and may Gods Grace be bestowed on each of you. I love you all and will continue praying for you! Heaven has gained a true blessing we will all remember! Until we see each other again brother Shayne...you have blessed so many and loved us all, so farewell for now. Rest in Peace my brother!
