“ *Sherry was such a delightful, always cheerful, very considerate person. A woman of faith who so dearly loved her family and was so proud of all of you. I think of Clayton, when he was little, sometimes coming into the salon with her. How she loved being able to brag on him while he was right there, so he could hear the praise. She was a true master of her craft. My neighbor Rudy introduced me to Sherry when she still worked at the salon on Poinsett. When Rudy was ill with cancer a couple of years before Sherry, Sherry never failed to ask how Rudy was doing and had me bring her best wishes. I feel sure Rudy had a salon station all set up in heaven for Sherry and signed herself up for the first appointment - and met Sherry with hugs and big smiles. So many people will miss Sherry! My condolences to all of you in her family.*

“ *I am so sad to hear of Sherry's passing. Sherry was a special person and good friend. She cut my hair the first day she started working and we had a special friendship for over 38 years. She always talked about her family and how proud she was of each one. She loved her family so much. Every few weeks when I was in the chair to get a hair cut she would always let me know what was going on in their lives. Her smile and cheerfull attitude made every visit pleasant. Sherry was the type of person just knowing her made your life better. I will miss Sherry, but comforted by the fact we know she is Heaven with Jesus. My prayers have been and will be with the family for the days ahead.*
