“ *Garland, Joey and Lee, we are so sorry to hear of Shirley's passing. I have so many memories growing up next door. We all, I think, would like to provide words of comfort and peace to you, but those well intended words will always fall just short, at best. I pray for you and your families a peace that goes beyond our own comprehension and a comfort without limits because today, Garland your Shirley the mother of your children is knowing those promises. Shirley is free without a doubt in my mind. You have cared for her well. Joey and Lee my mother can't praise you enough in what she has witnessed in you. You're all about in our thoughts and prayers.*

“ So glad I have so many wonderful memories of Shirley. We moved to Cross Plains in the 60s and started to Cross Plains Church where we met Mrs Bailey with all those children. Not many people could have 11 Boys and 1 Girl. But Shirley never let those Brothers get the best of her. All us teens at the Church was always going and doing things together. She would let me go on Dates with her and Garland. She kept everyone laughing all the time. My Sister married her Brother Jack Earl so I was happy she was almost kin. We didn't see each other as much as we got older but it didn't matter to Shirley if she spotted you out somewhere she would holla at you and had to come over and Hugg you . She was a true friend and a Beautiful lady inside and out. Praying for the Family that God will help you heal your broken Heart. Wish I could go to the service but due to sickness I can't be there.

“ *Our hearts go out to Garland and the rest of the McCall family in this sad time; as former neighbors across the street, Shirley and Garland were always so friendly, caring, and giving. We had many laughs together, and you knew they would do anything for you. Shirley was always asking about Gracie, even long after we moved away, and we were so saddened to hear of her passing. She is with Jesus now, and that should be comfort for everyone. God bless the entire family.*

“ *Garland, Joey, and Lee: I am at a total loss for words. To hear of the death of Aunt Shirley has taken a big blow to my heart. I have loved her with my whole heart from the day I met her. She never had a mean bone in her body that I know of. She was always loving, caring and oh so special. I am going to miss her so much. I know I didn't see her as much as I would have but she has always been in my thoughts. I want you all to know that you are in my thoughts and prayers. I know that God has wrapped his arms around her and taken her up into his fold. I love you all.*

“ *My husband and I would like to express our sincere sympathy to the family and friends of your beloved Shirley. Although we hadn't had the opportunity to meet Shirley personally we do understand the pain of losing one so dear. We would like to share with you comfort we have experienced from Gods word found in 2 Corinthians 1:3,4. Our Heavenly Father is truly a wonderful source of comfort, for he is always there for the broken hearted and those crushed in spirit. (Psalm 34:18) Please take a few moments, share your memories with those who surround you, for the memories shared are the ones most truly cherished, may they bring you comfort and peace as you begin to heal. Take care of yourselves and each other during this very difficult time.*
