“ Ray,

I'm so sorry that I didn't get to tell Shirley how much I LOVED her during her last days. I truly treasured her as one of my best friends and thankful to have known her. She contributed much to the North Greenville Food Crisis Ministry and helped me out so much with her volunteer work.

Ray, we also appreciate all that you have contributed, and want you to know that we are here for you.

May God surround you with his love and care.

Our sincere sympathy,

“ Dear Ray and family, Shirley was like a sister to me. We had many good times together. She shared her time and talents with many less fortunate than herself.
May all the special moments you had together live within your hearts forever. May she rest in peace.

“ Ray (and family),
My heart goes out to you all. My wife (named Shirley Ann Carey) passed away last March 17th. I miss her so much. I know your loss will be felt for a long time, and I know you can't wait to see her again in Heaven. I guess March is not a good month for Shirley's. I know your pain is almost unbearable right now. Time does help (some), although there will still be those days. Hold fast to those good memories that you made together. All my best to your family.##imported-begin##Richard Carey##imported-end##

“ Ray and family- While Shirley and I only recently came to know each other as Brown cousins, I grieve her passing. Her emails and phone conversations were lively, witty, feisty and a joy to receive. I very much appreciated our shared genealogical research. I will miss her. My condolences to you and your children and grandchildren. Shirley really was a special lady!
