“ *Shyla was a feisty little girl with a smile that could light up the room. She was blessed to have grandparents and family that loved her. I knew her from 12 years ago at the Meyer Center. May God surround this family with love and comfort and peace.*

“ *What a beautiful and special daughter God blessed you with and I can see from the pictures she was blessed too to have you be her family. God loaned her to you for a few short years, but you will be with her again in heaven. RIP sweet angel.*

“ *My sweet princess Shyla never met a stranger. Her smile was contagious and she had an infectious laugh. I taught her for 4 years and in those 4 years she became one of my "kids." She loved every one of her peers and teachers. Shyla could turn a tear into a ray of sunshine by just telling you it's ok, don't be sad. Oh how I miss that girl.*
