

Staci Rae Bryant

June 23, 1973 - October 16, 2024

On the morning of October 16th, 2024 Staci Rae Bryant left this world doing what she loved most: spreading joy through the beauty of flowers.

Born June 23rd 1973 in Greenville, South Carolina, Staci was deeply loved and cherished by her parents: Debi and Billy Bush and Jerry and Deb Bryant. From an early age, she found delight in helping others and spreading warmth to everyone she met. A proud graduate of Wren High School, she went on to Furman University, where she participated in the band before returning to her roots to lead the family business with immense joy and pride.

Staci was unforgettable; her infectious and unwavering positivity left a lasting impression on all who crossed her path. She never met a stranger, greeting everyone with a “Hi Friend” and leaving them with “Go do something fun!” Her kindness and compassion extended far beyond her immediate circle; she touched the lives of many with her selflessness. Staci’s passion for running her parents’ flower shop was matched only by her love for learning new things, which she approached with eagerness.

Beyond her dedication to Expressions Unlimited, Staci made significant contributions to her local community through coaching youth cheerleading and teeball. Most Saturdays, she could be spotted with her classic truck, Ruth, at Trailblazer Park with her adoring husband Tim, sharing their love of music and

food with their beloved friends and family. Together, they created countless memories that will forever warm our hearts.

She is survived by her husband, Tim Westbrook, son, Zach Westbrook (Taylor) and beloved granddaughter, Millie. She was a loving sister to Brad Vest (Christine), Constance McCroskey (Adam), Jessica Allen (Doug), Derek Bush (Lauren), and Teresa Knight (Bernie). She cherished her time raising Josh (Kayla) and John "Pnut" Westbrook (Stacey), Bre Hunter (Braxton) and daughter Lela, and enjoyed spoiling numerous nieces and nephews, always finding time to make them each feel special. She also leaves behind lifelong best friend, Stacy Crosby (Jeff), God-daughters Sophie and Gracie, along with her entire Expressions Family. She was a source of support and encouragement for all her family, embracing family with open arms and an energetic spirit.

A celebration of life will be held Sunday, October 20th at her happy place, Trailblazer Park, from 1-3pm. Light refreshments will be provided and all who called her friend are encouraged to stop by to enjoy live music in honor of Staci's life, love, and legacy.

“ Thinking about Staci today. Working for Expressions was such a delightful time in my life, and even though it was only a few months the impact that Staci made on me and everyone around her will last forever. Staci was a guiding light to everyone around her, an example of how we should all strive to live our lives. Be nice to one another, show kindness without exception, work hard, give back to those around you, and love openly. Thank you Staci.

“ Staci was a compassionate and generous person who made a big impact in the community. The day before my wedding, I discovered another local florist had lost my order and couldn't fulfill the job. I contacted Staci and she immediately agreed to do whatever it took to have the order ready; she was so caring and reassuring. The flowers were on time and they were beautiful! She made all the difference in one of my biggest life events and I will never forget the kindness she showed me that day. I have enjoyed ordering flowers from her for many occasions in the years since and she will be greatly missed. People with such character are few and far between and my thoughts and prayers are with her loved ones.

“ My heart sank when I heard this on the news last night. Staci was such a beacon of light. Her contagious love for humans is one of a kind. Each time I called the shop to order flowers for our clients (I work for a veterinarian) she always took my order. She would pick up the phone and without fail say "Hi sunshine, what can I get for you today". I could feel her smile over the phone which radiated to me that I was very important to her.
I only met her twice but heard her voice over the phone on many occasions. Her sweet southern demeanor will never be forgotten.

“ Much loved in life she will be much missed in death. God has a beautiful soul to spread sunshine in the darkest corners of heaven.. I loved working with Staci at Expressions and her passing will leave an empty place forever. One of a kind person that was always willing to help me in any of life's challenges. ✨ She always thought I was superwoman and could do anything. My words do no justice in describing what a special friend she was to me.

“ *Staci will always be the person I think of when I see a beautiful bouquet or go to order flowers for any occasion. She was always smiling and her love was infectious.*

Back in 2010 when I had my business we partnered for a Wedding Festival show. It was just one of the many times we worked together on something.
