“ Dear Hendricks family,

I am very sorry to hear of the recent death of your dear loved one. I send the family my deepest sympathy.

When we lose a beloved family member in death, the pain we feel cannot be put into words. It makes us feel helpless because there is nothing that we can do to alter the situation.

God's word the Bible holds out a wonderful hope for those who have died. The scripture at John 5:28-29, promises us that those who are in God's memory will be resurrected. Isn't this comforting to know? One day soon we will have the prospect of being reunited with our dear loved ones again.

When Jesus was here on the earth, he showed that he has the power to bring the dead back to life. On one occasion, he resurrected his friend Lazarus.(John 11:11-44). Also, on another occasion, he resurrected the only son of a widow.(Luke 7:11-17).

We can be sure that Almighty God and his son Jesus long to do the same for our loved ones who have fallen asleep in death.

I encourage you during this difficult time to turn to God in prayer and pour all your burdens upon him and he promises that he will sustain you.(Psalms 55:22)

I again give the family my heartfelt condolences.

Sincerely,

Sandra##imported-begin##Sandra##imported-end##

“ Steve was such an awesome person. Not only was he just as down to earth as a person could be, but he would give you the very shirt off of his back if you were in need. He never failed to be willing to help in any given situation and we can't think of a more unselfish person. He will be missed, but never forgotten. Elaine, if you need us for anything, don't hesitate to call!##imported-begin##Jeff and Amanda##imported-end##

“ In remembering Steve the word GENIUNE comes to mind. When asked to help Steve always said I will be there. We think back to family get togethers when he would say the prayer, which was always so heartfelt, and touching. Steve will be terribly missed, but his memory will hold a special place in our hearts forever.....##imported-begin##Dean and Tammy Fowler##imported-end##
