“ I had the pleasure of working with Steve for a few years. I still remember the day he came to work in a new truck. I thought it strange since his old truck was immaculate and in perfect working order. When asked why he had purchased a new one, he humbly explained how he had given to old one to his niece. That was the Steve Roberts that I knew; kind, considerate, respectful, and generous. He will be missed.

“ I had the honor of working with Steve at 84 Lumber prior to his semi retirement. Let me begin by saying he was a Godly man who witnessed everyday, Steve worked for decades in the building industry providing the finest service to home builders that I have ever seen. His work ethic was 2nd to none. We would often take time to enjoy a cup of coffee together and Steve's favorite topics were his grand children, and he & Cara's quilt making. We will miss Steve Roberts, his big smile and even bigger heart!
