“ My darling great grandson, what a void you have left in our hearts with your passing. But we will always remember your smiles, hugs and telling us that you loved us. We will remember your mischievous ways when you were small sometimes keeping us on our toes wondering what you could think to do next. So many memories to keep you alive in our hearts. To Steve and Michelle, you know my heart goes out to you and I hope someday the sorrow will pass and you will remember all the good times you had with Michael and his girls. RIP Michael .Forever in our hearts.Hugs and kisses, Great Grandma Edna Ledford
