“ *I was devastated to here of Fleet passing. We spent so much time together from 1976 to 1983 , folks actually thought we were brothers. There was a brotherly love between us...we worked together, lived together on jobs. there for a while spent more time together than apart....Beach Trips and fishing were our favorite times..I'm gonna miss him but know I'll see him again someday...I knew his HEART...He was a good man and I know he will be waiting for me by God s River. I love you my brother & friend . Nick Howard*

“ My thoughts and prayers go out to the Rollins family during this time. Our family moved from SC in 1973. Many of my most precious memories of our time living there were times spent with the Rollins family. Much love sent your way..Marian Lindsey (Johannes)

“ This sad news reached us in Texas today. Fleet was very much a part of our life in Greenville, as were Margie and Logan, and my dearest friend Eva Jane. You all will always be family, and share wonderful memories my love and prayers to you all. Always.

“ So sorry for your loss, Tom and I have lots fond memories of your family, Tom just told me one he had of fleet, I'll text it to Annie so it doesn't take up so much space. Wish we could come, but we have a prior engagement. You are all in our thoughts and prayers. 🙏

“ Uncle Fleet made a kind smile, a quick raise of the eyebrows, and "How you doing? " cool way before Joey from the 90s sitcom did. His slicked back hair and stylish outfits rivaled that of "The Fonz." Whenever he would call to talk to Dad, he would always take the time to talk, well mostly listen, to me. In the words of Rod Stewart, who he and Dad liked, "May the good Lord be with you down every road you roam. And may sunshine and happiness surround you when you're far from home."

*I was very fortunate to spend most of my early years shared with Fleet , and the Rollins Family !
Fleet and I shared a lot of memories , he was always better at sports than I, a lot of my love for music started in our early years .(Creedence Clearwater's new album , Down On The Corner) was the first I remember . Then the Beatles and Rod Stewart were close behind . We had many great times together, but as life progressed we lost contact and grew apart. I as a lot of others will miss him , but will never forget him !*
