“ We grew up together! Effie, myself, and all at Greenville General Hospital. Always laughing and such a hard worker. Her smile came from within and lit up the room. We had lost touch over the years to my regret, but always had such love and happy memories of Sue. RIP my old friend. Ill see you later.  
My condolences to the Family.

“ Missing Sue with every day that passes. Most days, I would start my mornings talking to her. She loved hearing all my funny stories about work and what's happening in the family. I will forever miss her laugh, big heart, quirkiness and beautiful smile. She was my aunt but more like a sister. She may be gone but never forgotten. Rest well, sweet Sue and I will see you one day in heaven. Judy

“ It was either 1996 or 1997 when Sue took Elizabeth and I to Carowinds. It was the first time I had ever been and I will never forget in a million years how much fun we had. Elizabeth and I were 12/13 years old and I thought Sue was the coolest mom ever. It is heart breaking to hear of her passing. I send my thoughts, prayers, and love to you Elizabeth. She is now in the arms of Jesus looking down. Stay strong, God will get you through. If you need anything just me know.
