“ *I remember when we were little we had to go to the Slater Community Building to get our smallpox vaccination to start to school. We were 6 but I remember standing in line and waiting. Susan was really bashful and hid behind her Mama's dress. I kept smiling at her and she kept hiding. When school started we were in the same room!! We became best friends and stayed that way until we were in high school!! After we got married we drifted apart but I never forgot that bashful little 6 year old. She was always bashful!*

“ Ansel and family: So sorry for your loss. Our thoughts and prayers are with you during this trying time. I only have fond memories of you both in school. Susan was always one of the sweetest girls. I have to confess I saw you in Walmart once and I couldn't figure out where I knew from until I got in my car. I'm just sorry I couldn't get that to come to me in time to speak to you guys. Yes I'm getting old too. If there's any way we can help you and your family please let us know. Praying!
