“ , fully immersed in the nrtuae, within the Bunaken marine park you'll do amazing dives, and you're gonna see the most colourfull fishes. You'll dive with some very professional guides, they are very talented and passionate in their work. Since I'm handicapped I was a bit worried about the dives, but I must say Pim has been great! After a couple of dives to check out how to manage the situation everything went smooth! He helped with my gear, he swam for the two of us and he didn't forget to look for all those tiny creatures, camouflaged fishes Sometimes it took me a bit to focus on what I had right in front of my eyes!! I'll never forget the close encounter with a giant turtle I wanted so much to see Not to forget are all the strong men who works on the boats; they are always ready to help you, they change your tank and check your gear as soon as you get into the boat then they offer you some fresh fruits, lovely people!The food is very good, you can eat a super continental breakfast a la carte, you can choose from scrambled eggs with bacon to pancakes with pineapple delicious! For lunchdinner you have different types of fishes everyday (remember the sunday BBQ!!!), always cooked with fresh vegetables! And if you don't want fish there's always a meat alternative. You must also check the jungle restaurant up in the hill, but if you cannot because of a wheelchair they will be happy to cook whatever you prefer and serve you at your usual table in the restaurant.For my stay in Minahasa I was honored to have a personal assistant a nice guy who helped in every movement around the resort, he was always ready to take me to the restaurant for dinner, back to our room or the pool he was very helpful as everybody there, they all are willing to serve you the best they can, and they totally succeed!!!You don't need to think about nothing, they have everything you need, and I mean everything! The room is very spacious, super clean, fully accessorized, with your own private veranda luxury!All you have to do is take a plane and fly to Minahasa Lagoon, they will take care of you for a very special holiday.I really hope to go back again, I love that place and the good hearted people there.##imported-begin##Nikesh##imported-end##

“ Dear family,

I am so sorry!!! Susie and I went to school together. She was a person I often thought of with a smile. She had a gift for making people laugh and feel special. Although I have not seen her since high school I will always hold fond memories of her in my heart. Praying for you in the long grief journey ahead.

“ I am so sorry to hear about the passing up Susan. She was a great friend and neighbor to me and I know that she loved the Lord. She would talk about how grateful she was that the Lord had saved her. It was very encouraging to hear her talk about him and listen to Charles Stanley on TV and radio. I know that she is walking the streets with my son who passed 3 years ago and I shall see them both again! My thoughts are with the family at this time!!!
