“ *Susie was always kind to me and a delight to be around. The last time I saw her she was with Papa Buddy at Bryant’s Baby Shower. It had been years since I had last saw her BUT she was still just as Delightful as usual. I do recall fond memories of her, one that comes to mind is when Kelly used to be in pageants and how proud she was of her, whenever I’d stop by she would always have a new picture of Kelly in a stunning pageant dress. Many Many years have passed but, as said Susie always remained the same Delightful and fun to be around. She will always be in my heart because a piece of her lives in all who ever got the privilege to know her.*

*May God Comfort You Papa Buddy, Kelly and all who miss this Wonderful Lady,*

*Sincerely with Love,*
