

Suzanna Alice Vickery

February 23, 1951 - May 6, 2020

On May 6th, 2020, Suzanna passed away peacefully in her sleep at home. She was 69 years young. She was born on February 23rd, 1951, in Pottsville, PA, to Mary Lawrence who has preceded her in death. She was born into a life of poverty and at a young age was put into an orphanage. Through all those trials and tribulations, nothing stopped her from what she wanted to do in life. Susan was a graduate of Temaqua High School in Temaqua, PA. She knew immediately after graduating high school that nursing was her career of choice. Susan wanted to provide people an exceptional level of care unlike she received in her childhood. She went on to nursing school and graduated as a LPN and continued her studies to become a RN. In 1977, she and her family moved to Greenville, SC, which would become her forever home here on Earth. She loved the mountains and the beach and would often make frequent trips to visit both. Susan loved the water and would often go fishing every chance she could get. She was an avid bird watcher and even had a camera outside so she wouldn't miss them on their feeders. If the occasional squirrel was trying to steal their food all 4'10", 85 pounds of her would find spunk to chase those squirrels off. She had a love for Elvis Presley, especially, his gospel music. After years of study, she finally became a Jehovah's Witness in 2003 when she was officially baptized. She was so proud that day and she loved Jehovah. Susan was a wonderful mother, grandmother and great-grandmother and openly showered her love on all that entered into her world. She was also a mother to all her fur babies. She was always in the

mood to have fun, dance, watch westerns on TV and totally devoted to her family. A few months before her death she told her daughter, "I have always loved Christ but it wasn't until I came to know Jehovah that I can actually understand and know the word love from the heart."

Surviving Mrs. Vickery is a loving husband of the home, Walter Vickery; a stepdaughter, Toni Isles of Travelers Rest, SC; a daughter, Tammie L. Hartz/Moore, son-in-law Scott, and 15-year-old granddaughter, Autumn, of Louisiana; a son, Michael F. “ Momma, I was not ready to let you go. How can I continue on on this life without you. You were my rock. The one I could always count on. I could call you any time, day or night and you were always there for me. My heart is shattered, my spirit is broken and my will to go on is hurting. I love you Momma.
