“ To my Susie, I will see you again girl and we will spend eternity together praising the Lord. I miss you already so much but am so glad you are not suffering. You will be forever in my heart. De, Traci and Lisa and family, I love you all dearly. You are so special. I believe that part of that specialness comes from having a wife, mom, sister & aunt that knew the true meaning of love. Her love for people; endless. As I have said before when it came to Susie she loved big. I'm glad I received that big love. Love and prayers to you all. “ To the family , I am so sorry to hear about Susie I would say your loss but Susie is not lost we all know where she is and Heaven is now a much better place . When I think of Susie , I think of her sweet warm smile and her caring heart , she is one that will be missed by all that knew her. Susie was one who adored doing for others but didn't like for anyone to do for her , she was very unselfish . She is one of the first people I met when I started going to Clearview , she along with others always made me feel so welcome . I pray Gods grace and mercy will be with the family in the days ahead !!

With all my love !!

“ DeeDee,
I was so sorry to hear of Suzie's death. As a child and teenager, you and Suzie had a major impact on my life. Babysitting for your children was always a joy. But the love you showed me through my father's illness and death has stayed with me throughout my life. You both were there when I needed you. Thank you. “ *I was so saddened and shocked to hear of Susie's homegoing. My thoughts and prayers will be with you all. The loss of a precious mother cannot be described. Your memories surely someday will soften the grief but I know the pain you are feeling. I feel closer to my parents now, as I get older and the thought of being with them for an eternity blesses and comforts me. Love Kip##imported-begin##Kip Powell##imported-end##*
