“ I've been struggling with which memory of my 2nd daughter to share. I remember the first time I meet Tabi. We hit it off instantly. We shared each other's secrets and we got into a little bit of a "talking too" more than once for driving too fast on the golf cart. I did teach Tabi to drive it so that explained alot. Every time I would see my girl she would come running over to me screaming "there's my 2nd mama" then she'd jump in my lap and we'd both go flying backwards. At the last Halloween party I had on a dress that had a bunch of slips and it was a little short for me. Well my girl does a swan drive on me saying "where have you been?" Needless to say Tabi and me and my slips go flying backwards. All I can say is everyone say my red panties. I almost peed my red panties laughing. Tabi lost it too so we are laughing so hard. Hubby didn't think it was as funny as me and Tabi. We had a lot of fun and got into a lot of mischief together. I'm so blessed that I got to see quiet little Tabi blossom into a beautiful confident young lady. Tabi baby girl I will forever keep you in my heart. I love you darling.

“ Tabi was my first friend at Paul Mitchell cosmetology school. I was so socially awkward and nervous but she was so warm and accepting and really made me feel comfortable. She knew how to help me feel comfortable in my own skin and accept who I am. She was such a bright light in this world and it got noticeably dimmer the day she left us. I'll never forget that pink and purple haired beauty.

“ *I have very fond memories of Tabi and my girls as teenagers playing softball together and hanging out at youth group. I always enjoyed following her posts on Facebook. She had grown into such a strong, beautiful young woman. I was truly inspired by her honesty in sharing the things she had overcome and accomplished. She has definitely touched so many lives in the short time she had here and I am blessed to have had the privilege to be one of them. My prayers go out to her friends and family, I am so sorry for your loss.*

“ I don't know Tabitha, but it appears she is a very good friend to my granddaughter, Sierra Hill. Losing a child is so very difficult, both mentally, emotionally and physically. I know this from my own experience. I pray that God works in you to be able to accept her loss as he worked in me. You will never forget her, just remember to love her. With love, condolences and sympathy, Sierra's Nana

“ Our relationship began on a Walmart parking lot. I was eating a cupcake in my car and I saw her beautiful hair. I gave her a compliment and left. The next day, she walks into the hair salon that I used to own asking for a job. I didn't know she was a hairstylist and she didn't know that I was the owner of that salon. I hired her and the rest of our story is sweet.

Once we made a bet that I wouldn't cut my hair and if I did, I had to buy Tabi pizza every Friday. I lost the bet and so I bought Tabi a pizza pie every Friday (she loved pizza). Once I sold my salon and moved my business to another salon, once a month, when she went to work on her clients, we made it an effort to go and have our pizza.

I witnessed the change that was happening in Tabi's life. What an inspiration!!!! Tabi helped me many times in the process of Church planting, Unify Church. She took pictures, painted, worked on the flower bed, and she came to celebrate our church's one year anniversary with us. Tabi could do anything, she could even change your car tire which I have no clue of how to begin. 😊

I spoke to Tabi last on February 13th, 2019 and we planned on our next pizza meeting. We didn't get to do it. If I knew that was the last time that I would speak to her my conversation would have been a little different. Her outlook on life, dedication, strive, and passion towards her goals, have left a mark in my heart. So much to say about Tabi. Our beginnings were a little rocky but we ended strong. I loved her; she was my buddy; she was my FRIEND.
