“ Awww ma.... Every day of every month has be miserable and empty since you left the world on 07-31-2020 @6:25 am and 17 seconds. I know you're healthy, strong, not suffering , not being mistreated, no pain and , no healthy issues including cancer. I accept that but this is by far the hardest month yet. I feel like I walked out of the hospital yesterday. I feel like I sat and held your hand for 16hrs just yesterday. I can still hear you breathing I can still feel how cold your hand was as I held it trying to warm it up. I feel like I have been hit the hardest this month. I feel like I'm very vividly reliving those 16 hrs including what I walked into.... I just wanted you to know how much you are missed and loved by me. I'm still in July and everyone else's world has started turning. I'm getting better though health was. I keep pushing because I got being strong from my ma. And you my sweet ma was the strongest woman I have ever known. Dance in that sky. Tell grandma Hindman I said hey and one day I will see you again. This is not the end. Until that day comes please continue to watch over nana and me. Also your other family. Trying to be strong cuz that's what you would want. Can't help but miss you sometimes. Your voice,touch,calls,your unique one of a kind nicknames and words. I miss you calling me Boot. I miss coming and bringing you Diet Coke or Chick-fil-A "fairy dust"... ok ok . I'm done. I just need you to know that a sign would be great ma. I know you're there but I feel like I need validation. You are loved and missed more than anything. So you watch over us and I'm going to fold my arms and close my eye and ma, everything will be alright. I don't know when but it will I have faith it will and I believe youre watching over us. Talk to you later... you raised me the best you knew how and I'm forever thankful and grateful. Love. Love. BOOT

“ Hey my sweet ma. I'm so glad you are in heaven walking the streets of gold with grandma and pain free. You fought hard and was so strong. I'm so glad I got to hold your hand and be with you during your last moment. I am so blessed to have you as my mom. Keep a watch over us down here and know I'm taking care of our family. I love you unconditionally and can't wait to see you again one day.

“ Am. You were my world. I feel so blessed I got to spend your last hours with you holding your hand and letting know how much you are loved. You are a peace now and I couldn't be more grateful that you went so peacefully. I'm taking care of your family for you and your dancing in the sky with your daddy and grandma. I am so blessed that you were my mother. You were amazing and had such a beautiful soul. I always got you. Keep a watch over us down here. I love you to the moon and back. Rest easy ma!
