“ Tammy was, a wonderful big sister to me , even though she was my sister inlaw for many years. She had a fantastic hip sense of clothing style while I was growing up, especially her boots. Tammy also had a remarkable flair for interior design, she knew how to shop cheap sales but make her home a showpiece, keeping up with trendy decor. We all know Tammy also had a great mac&cheese pie that was to die for. I know she loved her family and friends and and I will miss this big sis. Thank you Tammy for your help in raising me part time with my brother, you taught me alot and loved me like I was yours, God has a special place for you. Love Trina
