“ I have prayed so hard for this sweet family. Taylor was such a precious child, she would brighten a room with that pretty smile of hers. She will be greatly missed, but we know that she's with God and that someday we'll see her again. Larry and I will continue to pray for Justin and Christy. We offer our sincere condolences.

“*Greg, Ali and I love Taylor and will miss her so much. But, we are happy for her, because she is whole, able to walk, run, talk, sing, wiggle her fingers (the list goes on and on)...Hallelujah! Ali will miss talking to Taylor at Church; we often talk about how much God must have loved Taylor to make her such a special young lady. Justin & Christy, thank you for allowing Taylor to prove to a lot of people that doctors do not determine our future; only GOD does. Thank you for allowing Taylor to be a witness to everyone she saw. Thank you for allowing Taylor to be a part of the Oneal Church of God family; and for allowing Taylor to be Ali's friend. We love you!*”
