“ Ted was a neighbor and wonderful friend for many years. Until my wife and I moved from the neighborhood, I looked forward each day to the many street- side chats with Ted. We solved the world's problems (in our minds) many times everyday. Anytime that I was working on a project, Ted would come running to lend a hand. He always put a smile on our faces.
He was loved and will be greatly missed.

“ Teddy was my first cousin. His Dad was one of my fathers nine brothers. We grew up together in Lincolnton, NC. My fondest memories of Ted was his years working as a lifeguard at Windy Hill beach. He was always a positive person with a smile and something funny to say. I can see his big smile now as he would say, “Hi Phyl how have you been!” While we connected on social media, we did not see each other in person for a long time. Rest In Peace to a very special cousin!

“ *I remember Teddy as a special cousin. We grew up together in Lincolnton, NC. Teddy was a fun-loving fellow who loved going to the beach. I remember that he worked as a life guard at Windy Hill Beach (I think) as a young fellow. There were many cousins at Lincolnton and we all had a great time together. Teddy will be missed by his many relatives and friends. May the Lord comfort and bless his friends and family. Charlie Eurey.*
