“ Several years ago a friend of mine lived across the street from Grasshopper. She was a single mom and I was helping her move from one place to another on short notice. Grasshopper noticed us trying to load stuff into my car and he offered to help us. He spent several hours helping and we were SO appreciative! Right before he offers to help I prayed that the Lord would send us some strong people to help because I knew it would be tough for just the 2 of us to get it all done. I believe that Grasshopper was a direct answer to my prayer! I'm so sorry for your loss.
