“ Terry was the very first police officer that I hired to do security at my venue *The Perfect Place*. It was such a wonderful pleasure knowing Terry and my clients knew him by name . My husband had a heart attack and Terry was such a great support by praying for us, calling me an texting me to see how my husband and I were doing. Such a wonderful joy to be around.

*I can see his big huge smile just walking around Heaven .*

*Please know that we are praying for his wife and children during this difficult time.*

“ When I was assigned at family court Terry became my friend. Watching her raise Corey provided me with a great role model to raise my own daughter. She will be missed. ❤️Robbin and Tiffany

“ Terry was with the clerk’s office when I became a Family Court judge in 1982 and was there when I retired in 2010. She was a delight to work with and could always be depended upon. I was fortunate to know her.

“ Jim, you're in our prayers. We're so very sorry to hear about Terry's sudden and unexpected passing. She's with the Lord now, the Lord who has His arms wrapped around you too. I wish we could come to the visitation and funeral, but we'll have to settle for sending our love to you and the family. God bless you, friend.
