“ Betty, Jordan, Morgan, Summer and Jason,

I was sad to hear of Tom's passing. You guys were our first neighbors when we moved here to South Carolina and we had never met such nice people. Thanks for being so welcoming and I am glad we became such good friends over those years. You are a great family and I know the loss is hard, but you guys will stick together and comfort each other with the great memories you have with Tom. He was such a nice person to me as a kid. He will be missed. Love you guys.

“ Betty and kids, there are no words to say that can ease your pain right now. Can't imagine the world without Tom in it. Mr. Charmer, always a hug or kiss, always such a gentleman. Well, I know one thing for sure, he will be missed very much by many people. I knew Tom for many years and regret our paths hadn't crossed, but I have a ton of memories of him. I never saw him sad or down, he was always up beat, and if he wasn't, you would have never known. You will be miss Tom! Love always, Kim##imported-begin##Kim Long##imported-end##
