“ I will really miss sitting and talking with Tommy. He was a true friend . The Hours we spend " hashing things over " and reliving old memories were a real blessing to me. I thank God for allowing us to meet up after fifty years and renew our friendship. It will not be another fifty years before we meet again.

“Tommy was a wonderful neighbor, very kind, thoughtful and friendly. We will miss seeing him out in his yard, working on one thing or another. He and my husband would visit over the fence quite often. During the winter, when they were supposed to be shoveling the driveways, I caught them standing there, leaning on their shovels and talking. He will be greatly missed by many. We are praying for Phyllis and the family, that the Lord will comfort them and give them the strength to carry on. With love, Lou and Sally Hastings
