“ I have several memories of Tommy, when I was in 2nd grade my appendix came close to bursting. Tommy was in the 8th grade. My dad was @ work & my mom was so scared. Tommy lived right next door to us so mom got him to ride with us to the hospital, he was such a comfort to my mom, then 1 year he went to Ghost Town Maggie Valley with my family, my daddy thought a lot of Tommy & he thought a lot of my dad. 1 time we attended the same Church together which then the Church was called First Assembly of God now it's Good Shepherd on State Park Rd. TR. That's just a few memories I have of Tommy. I will always remember him.

“ As a daily visitor to Pendleton King Park (along with my canine fur baby, Bandit), I was surprised and saddened to hear today about Tommy's passing. I just wanted to let you and your family know that you're in my prayers. His presence will definitely be missed at the park. Whoever follows him will have some very big shoes to fill!
