“ I have had some good times with Tommy and my best friend James Johnson before he passed a few years ago. James owned the body shop just up from Tommy’s house. He could make me laugh so hard that my sides would hurt. Tell James when you get home that I will be along in a little while. God bless the family and make this transition as easy as it can be.

“ Our prayers go out to Mary and the Family. I know Tommy will be missed by everyone. He was a very special person. My mom and dad (Dewitt and Doris Wilson) thought the world of Tommy. He was my Dad’s main hunting buddy. I know mom and dad were glad to see Tommy when he walked in to heaven.

“ *My family loved Tommy, especially my daddy...DeWitt Wilson. I am positive he was waiting on Tommy and they are running dogs and treeing coons.*

I am so sorry for your loss, he was a very special man.

“ *Susan, Vicky, LaDonna, Jeff and family, you all are in our prayers during this time, your Daddy was one of a kind and was loved. I have fond memories of Tommy growing up, he was the best Santa Clause, Coon Hunter, dancer, jokester if you don't believe it just ask him. In the summer he'd always take us on his boat for a ride and stop on the way for us kids to get crab apples, plums, and blackberries. Sometimes we even got chiggers. He was loved by all who meet him and always treated me as his own. He will be missed but certainly not forgotten. Until we meet again_____*

“ Tommy was unique....to say the least, he was funny, loved to dance. When I was little he loved to aggravate me so much but, I always knew he was playing. I loved to hear him laugh. Tommy will be missed by so many. Tommy was my uncle❤️

“ There's not much as unsettling than to have someone stomping up your porch steps and look into your window around 10:30-11:00 at night. This is what Tommy did to us years ago-I can still hear him saying he wasn't positive but thought that was at our house! He had been running his dogs, gotten separated from the group, was tired of walking through the woods and wanted to use our phone. Between dancing and wearing his scary face mask he kept you on your toes, always good for jokes, laughter and a good time! Loved to see his eyes light up when talking with him. Gonna miss him so. Love and prayers to all. Sherri
