“ Our Dearest Linda... Earline and I are still in disbelief of the passing of our dear cousin and friend and your husband Tony, I'll certainly miss our joking together when we saw each other and I'll never forget when Earline and I moved to Travelers rest how Tony helped in many ways to when we were building the house... As christians, even though we missed Tony's physical body and I believe we know that his spirit and your soul is in another dimension called heaven. God bless you, take care of yourself we will see you soon.
