“ Troy was very instrumental in serving the Meals On Wheels clients in the Travelers Rest area. His kindness toward the volunteers and clients will always be remembered by those of us who were working at the program during that time. The trays he prepared at the American Cafe were above and beyond the call of duty. He made sure that his trays were full of delicious food. It was people like Troy and his sister that helped to build the program to the success it is today. My sincere sympathy is extended to his children and siblings.
