“ *My deepest sympathy to the family during this sad time in your lives. I graduated with Vera in 1955, however we were never in touch after graduation. Take comfort in the good memories you have shared with Vera over the years. Jeannette Richardson McDonald*

“ My dearest brother, his daughter Louise, granddaughter Elena, and family I was deeply saddened to hear about the loss of my dear sister in law Vera. I know how difficult this must be for all of you. Wife, Mother, is the closest of all, partner. a friend and a big shoulder to lend on. Though its hard to believe and even harder to live with the fact that she is not in the physical world with us but none can alter the course of our God. When things is hard just remember the happy times, the memories that will be in your hearts forever- " Death leaves a heartache no one can heal, love leaves a memory, no one can steal." I encourage you all to draw on strength and the strength of each other.. I can only imagine your heartache. Frank, remember she will always be beside you, you just cant see her. Her spirit will never leave you. This was Gods will not ours. I am hear anytime day or night if you need someone to talk with, I truly understand. I have walked in your shoes and still walking. I love each and everyone one of you. Even though I could not make it in time for the service , I will be there in spirt.

With loving thoughts,

*Your sister, Jerri O'Donald 32342 Apron Way, Millsboro, Delaware
