“ I heard the news when I was at the Travelers Rest Monitor. I looked over and seen the obituary sitting there in the fax. I felt weak because I knew Veronica and she was a great person. She was always willing to chat, and she was a very kind, and caring person. I am sorry that she is no longer with us but we will all be together once again to rejoice with our father in heaven. All of you are in my prayers, and my deepest sympathy. God Bless and If you need anything call me. (864)836-7040##imported-begin##Danny Pritchett##imported-end##

“ Jack and Betty,

First of all, I want to tell you how sorry I am for your loss and I wish I could fly down from Alaska to pay my respects. Veronica was a special girl and when she and my son Cody were together, I got to know her somewhat, her laugh and spirit will always be a fond memory for me. She took the time to stay in touch with me, even though she and Cody were not together and she had the compassion to be concerned about me as I am going through cancer treatments right now. I got several calls from her, asking how I was and encouraging me during this time. She also left messages online for me. I can't tell you how shocked and saddened I was when I heard she was gone. I know you both are strong in your faith and that will console you.

“ Veronica: I miss you so much. It still seems so unreal. I wanted to call you today to go to the dog park until I realized that I couldn't. I wish that I could have done more. I've learned to never take my friends for granted. You were an amazing person. I love you so much and miss you terribly.

Betty and Jack: I love you both. I know that Veronica loved ya'll also. You both raised her the way her mother would have wanted you to. You will be in my prayers.##imported-begin##Brandy Pruitt##imported-end##
