“ *It's really hard to believe! Vickie was ALWAYS so sweet and we sure shared some great times together! I have been thinking about her sweet daughter I was fortunate to meet just a few years ago, her sweet mom, her brothers and especially Bobby who I knew well. May God give her family peace and comfort during this time. Gina, thinking of you too....I know she was family to you; like a blood sister!!!*

“ I am thankful to the Lord for having given me my Freddie. She filled up so much of my life. I can't even imagine what my life would have been like had I not had her. We made so many memories together that I will always cherish and look back on often. Just seeing the color purple will make me smile. The smell of a cigar will forever crack me up and sound of her laugh will forever be in my mind. Her sparkling eyes and contagious grin are there in my memories. She will never be gone from me completely for she is a part of me. I will take her with me everywhere I go for the rest of my life. I love you Vickie.
