“ *In jan of 2011 about a week or so before I turned 19 I went on a trucking trip with two of my friends and ended up getting stuck at a truck stop about 20 minutes from where my cousin Vickie Cinko Krueger lived(keep in mind this will be the first time we ever met). If it wasn't for my grandma calling vickie I would have had no way home. As soon as vickie got the phone call to go get me she was right there. So vickie the kind people they are came and got me and I stayed with them for a week. During that week on my birthday jan12 vickie made me a birthday cake and got me some balloons and then took me to get my tongue pierced. That was a very fun and exciting week I appreciate everything she has done for me that week. A few days after my birthday vickie and joedy drove me all the way back to Wisconsin, it took about 16 hours which was a long drive. When we got to Wisconsin vickie and joedy stayed a few days and headed home. Cherish every moment you have with your family because you never know when there time will be..R.I.P cousin Vickie you will be greatly missed.*

“ The cruise my parents took us on November will live in our hearts forever!! She was so happy seeing us and her grandchildren! She was able to have the vacation of her dreams and loved shopping in the Caribbean. I will never forget her kind heart and the smile that never left her face.
