“ Vincent was my favorite guest at Olive Garden for over the past 5 years. He was more than a guest, he was my dear friend. We had many talks, he loved his family and talked about them all the time. He was a true gentleman and I will miss his friendship and his beautiful personality. Much love to his daughters and family. ❤️

“ Susan, Sandy, and Sally. My prayers are with you and all the family. I will never forget the day Dr. Pettit and I visited with you and your dad in his home. It started a friendship I prized and appreciated. Your dad loved his family. He spoke often of you all when I was with him. He loved his Savior and dedicated his life in ministry of the good news of Jesus Christ. He encouraged me in my role of serving our BJU alumni and he had so many fond stories he loved to tell. On behalf the the BJU Alumni family, we will miss our dear brother. We rejoice in the testimony of his life and ministry. John Matthews - VP of Advancement and Alumni Relations at BJU.

“ Susan, Sally, Sandy, and families. As you well know, your Dad touched many people over many years with his indomitable spirit and positive character. We were blessed to have spent many years together at "the lake" boating, fishing and even skiing at Cataloochee and hiking in the Blue Ridge. He and his beautiful wife Millie were great examples of how to model your life.

“ Sally, So sad for your loss & the rest of the family. Sorry, I have been a little under the weather & could not attend the service. We were just discussing your mom & he at the Garden Club meeting last month. All of us will rest together when that final day comes. God bless you & your sisters as you grieve his passing.

“ *Susan, Sandy and Sally, as well as your families, are in our thoughts and prayers. You have been blessed to have him for so many years! He touched a lot of peoples lives. He seemed to always smile as if he had no troubles, whatsoever! Susan, I remember coming to pick you up for something one time and your dad was painting the fence out front. It was almost dark at that point, and even though he might not have even finished the fence that evening, he stood there and talked to me forever. He was a wonderful man and made all of us feel like we were special! May God bless you all!*

*Sincerely,

“ *Susan, Sandy, Sally and family, you are all in my thoughts and prayers as you proceed without your last parent. I know the feeling. Your dad was larger than life in so many ways. He followed God's command throughout his life. What a wonderful witness! Edwin said he always spoke to him on the golf course at Furman, and he really liked him. Love you all and have many precious memories of Mr. Vince!*
