“ I loved your mom and I have only known her about 3 years. She was a customer of Venice for many years and when Vi would not drive in Greenville any longer - I picked her up and took her. We had many wonderful talks about her family, my life overseas and most of all the Lord. I will miss her as she was a "Lady" in every sense of the word. You were blessed to have her. “ Susan and Charles,
This is just lovely. I think your mother would be very pleased. It is tasteful, classy, and doesn't mention her age!!!! I'll see you on Thursday, but meanwhile you are in my thoughts and prayers. That whole generation is gone, and we are the elders...scary isn't it! I love you!
