“ I am so sorry to hear about your loss. I met Virginia back in 1990 when I worked in Greenville SC with John on a locomotive project. I was with John when he met Virginia and I stayed in touch with and remained friends with both of them throughout the years. The last time I spoke to Virginia was in February or March of this year and only after making several attempts to reach her recently, did I find out about her passing. She was a wonderful person and I enjoyed the many phone conversations we had. She will truly be missed and my deepest condolences to the family. I would love to hear from any of her children, if you would like to call me. My number is 978-500-2910.

“ I remember many good times with Aunt Earline at the family home in Jasper County, Georgia. My home was only 3 miles from them and we visited often. Her 4 daughters with Uncle Clayton and my 2 brothers and I were very close in age and played well together on that wonderful old homeplace. She was always a beautiful woman with loads of southern charm! Aunt Earline, say hello to my Mom in heaven! I love you!

“ Although we were friends for just a few short years, Virginia and I were able to share our deep faith along with lots of fun-filled stories every time we visited. She had a great sparkle in her eye when she spoke of her beloved husband John. We talked about our husbands a lot and it was a great bond between us. And she never ceased praising her Angela and what a blessing she was...I will miss my sweet friend.
