“ Dear Clyde, I can't tell you how sorry I am. I am hurting so bad, & I can't imagine how you must be feeling. Virginia & I could sit & talk for hours on the phone & never run out of things to say. I have so many memories of the beach, walking the beach looking for sharks teeth, sitting in our beach chairs, talking & talking & talking & of course soaking up the sun. I know how much you love her & that your life will never be the same. She was a very special lady. I love you also, and just know God had a reason for taking such a wonderful person. I will miss her terribly. With Deepest Sympathy, your friend Terri Johnson###imported-begin###Terri Johnson###imported-end##
