“ Anthony & Family,  
Aunt Virginia is now with the rest of our family that has gone before us, I know they'll be happy to welcome her. My best memories are of the times I spent with her and Uncle Cecil. She knew she was my favorite place to be. She made my childhood special. She would spend the day with me teaching me and singing with me and then letting me go to the creek to swim when you, Ferrell and Uncle Cecil came home. I'll miss her very much, but do know I'll be with her again one day.##imported-begin##Donna Painter Johnson##imported-end##

She is up there with your dad, and my mom, my dad, with Wilt and with my granddaughter (MACKENZIE), it won't be long until we'll see her again. My heart goes out to your family. love and prays Linda##imported-begin##LINDA L. FUNK##imported-end##

“ I am so sorry to hear about the lost of Aunt Virginia. The last time I saw her was at Mama Painter's funeral. I hold dearly the memories of our visits to see her and Uncle Cecil and play at the house. She will always hold a special place in my heart and I know that dad (Harrison) is waiting on her. Your family are in our thoughts and prayers always.

“ Dear Anthony and Family,  
I was so sorry to hear about Aunt Virginia. I hate so much that life has spread our big family out so far from each other. I loved your mom so much, and she was such a big part of my childhood. When daddy (Harrison) would come there , of all the things that I remember, I remember that her house was a house of peace. She and your dad were so loving to me and my sisters. I only recently learned from Aunt Evelyn that she was in a Nursing Home, and I know that you waited until there was no other option. I know that nothing said will help you at this time, but there are alot of people waiting for her and she will not be alone. Also, she will always be with us in our hearts, and our memories. I will be unable to attend the funeral, but I would like to call you sometime soon and go see her home and grave side. I hope that will be alright with you. Please know that my prayers and thoughts are with you and If I can do anything for you please call me. With love, Vickee Page
